

MEMORANDUM

To: United States Department of Energy

From: Erica Logan, Information Technology Industry Council

Date: June 25, 2014

Re: Ex Parte Communication

On Wednesday June 25th, energy efficiency experts held a meeting with representatives of the US Department of Energy (DOE) to discuss DOE's Notice of Data Availability (NODA) for battery chargers. Industry and DOE representatives had a general exchange on battery types, ways to apply the battery charging requirements and possible technical factors that could affect values over time.

The following individuals attended the meeting in-person:

Ashley Armstrong, DOE
Michael Kido, DOE
Erica Logan, ITI
Rona Newmark, EMC
Jay Taylor, Schneider-Electric
Roger Tipley, Schneider-Electric
Gary Verdun, Dell
Henry Wong, Intel

The following individual attended via teleconference:

Mark Hollenbeck, HP

Sincerely,

Erica Logan
Information Technology Industry Council
